# SUBJECT INDEX, VOLUME 127

- Acer saccharum*, invasion of oak-hickory forest . . . 125
- Agropyron dasystachyum*, growth response to N . . . 300
- Ambrosia artemisiifolia*, sex expression . . . 309
- Ambystoma maculatum*, eggs as prey of caddisfly
- Amphibians, spotted salamander eggs as prey of caddisfly . . . 368
- Arizona, grazing on cryptogamic crusts . . . 189
- prevalence of parasite on Yarrow's spiny lizard . . . 204
- Arkansas, comparison of bottles and snap traps for small mammal sampling . . . 208
- Banksiola dozwaria*, predation on eggs of spotted salamander . . . 368
- Behavior, paternal of white-footed mouse . . . 373
- Birds, barn owl diet and nesting . . . 224
- fire and bird density . . . 233
- house wren males feeding mates . . . 200
- populations after herbicide treatment . . . 215
- California, feeding ecology of valley pocket gopher . . . 41
- Ceuthophilus longipes*, *C. carlsbadensis*, fecundity and age class . . . 183
- Colorado, anthophilous fly distribution . . . 172
- leaf area of steppe plant communities . . . 276
- Corbicula fluminea*, life history . . . 248
- Corydalis cornutus*, oviposition . . . 348
- Ecology, animal, anthophilous fly distribution . . . 172
- bat winter activity . . . 52
- benthic invertebrate density . . . 77
- centipede and millipede fauna . . . 60
- density of aphid host plants and aphid-tending ant . . . 190
- feeding ecology of valley pocket gopher . . . 41
- fish assemblage structure . . . 106
- food of evening bat . . . 211
- habit and reproduction of orangefin madtom . . . 115
- home range of house mice . . . 31
- house wren males feed mates . . . 200
- nests and refugia of cotton mice and golden mice . . . 21
- plant-animal interactions, fossil . . . 1
- radio-collaring effect on survival of deer mouse reproduction and growth of bayou darter . . . 91
- Ecology, plant, bigtooth aspen forest in Lower Michigan . . . 327
- climate-vegetation relations between Great Plains and Great Basin . . . 316
- grazing on cryptogamic crusts . . . 139
- herb response to canopy removal . . . 149
- leaf area of steppe plant communities . . . 276
- prairie continuum reanalysis . . . 268
- seed bank in oak forest . . . 258
- sex expression in *Ambrosia artemisiifolia* . . . 309
- sugar maple invasion of oak hickory . . . 125
- tree growth in Louisiana swamps . . . 290
- Etkeostoma rubrum*, reproduction and growth . . . 91
- Fish, assemblage structure . . . 106
- habitat and reproduction of orangefin madtom . . . 115
- reproduction and growth of bayou darter . . . 91
- Florida, centipede and millipede fauna . . . 60
- fire and bird density in coastal shrub and slash pine . . . 233
- nests and refugia of cotton mice and golden mice . . . 21
- Formica altipetens*, relation to aphid host plant . . . 190
- Gammarus paynei*, new species . . . 241
- Herbicides, effect on bird populations . . . 172
- Illinois, sugar maple invasion of oak-hickory . . . 125
- Indiana, bat winter activity . . . 52
- food of evening bat . . . 211
- tree response to water stress . . . 158
- Insects, anthophilous fly distribution . . . 172
- aphid-tending ant . . . 190
- caddisfly predation on eggs of spotted salamander . . . 368
- fecundity and age class of "camel crickets" . . . 183
- oviposition in dobsonfly . . . 348
- weevil herbivory on *Sagittaria* . . . 355
- Invertebrates (other than insects), Asian clam life history . . . 248
- centipede and millipede fauna . . . 60
- new species of *Gammarus* . . . 241
- subnivean arthropod fauna . . . 66
- Kentucky, prairie voles effect on vegetation and soil . . . 392
- Listronotus appendiculatus*, herbivory on *Sagittaria* . . . 355
- Louisiana, new species of *Gammarus* . . . 241
- tree growth in swamps . . . 290
- Mammals, bat winter activity . . . 52
- feeding ecology of valley pocket gopher . . . 41
- food of evening bat . . . 211
- home-range size of house mice . . . 31
- nests and refugia of cotton mice and golden mice . . . 21
- paternal behavior of white-footed mice . . . 373
- prairie voles effect on vegetation . . . 392
- radio-collaring effects on survival of deer mice . . . 198
- small mammal community . . . 381
- trap effectiveness for small mammals . . . 208
- Michigan, head shape in garter snakes . . . 339
- presettlement and present-day bigtooth aspen forest . . . 327
- Microtus ochrogaster*, effect on vegetation . . . 392
- Mississippi, reproduction and growth of bayou darter . . . 91

Montana, aphid-tending ant .....	190	Reproduction, bayou darter .....	91
<i>Mus musculus</i> , home-range size .....	31	orange-fin madtom .....	115
Nebraska, barn owl nesting and diet .....	224	Reptiles, head shape of garter snakes .....	339
New Mexico, fecundity and age class of "camel crickets" .....	183	prevalence of parasite on Yarrow's spiny lizard .....	204
<i>Noturus gilberti</i> .....	115	<i>Sagittaria latifolia</i> , weevil herbivory .....	355
<i>Nycticeius humeralis</i> , food .....	211	Saskatchewan, response of <i>Agropyron dasytachyum</i> to N .....	300
<i>Nyssa aquatica</i> , diameter growth in swamp .....	290	<i>Sceloporus j. jarrovi</i> , prevalence of parasite .....	204
<i>Ochrotomys nuttalli</i> , nests and refugia .....	1	South Africa, Permian megaherbivores and Glossopterid flora .....	1
Ohio, paternal behavior of white-footed mice .....	373	<i>Spauligodon giganticus</i> , prevalence in Yarrow's spiny lizard .....	204
Oklahoma, bird populations after herbicide treatment .....	215	Succession, effects of seed bank .....	258
Pleistocene mammals .....	13	Systematics, animal, new species of <i>Gammarus</i> .....	241
Ontario, herb response to canopy removal .....	149	<i>Taxodium distichum</i> , diameter growth in swamp .....	290
Paleontology, Permian megaherbivores and Glossopterid flora .....	1	Texas, fish assemblage structure .....	106
Pleistocene mammals .....	13	<i>Thamnophis s. sirtalis</i> , head shape .....	339
Parasites, prevalence of <i>Spauligodon giganticus</i> on Yarrow's spiny lizard .....	204	<i>Thomomys bottae sanctidiegi</i> , feeding ecology .....	41
Pennsylvania, oviposition in dobsonfly .....	348	<i>Troglodytes aedon</i> , males feed incubating mates .....	200
sex expression of <i>Ambrosia artemisiifolia</i> .....	309	<i>Tyto alba</i> , diet and nesting .....	224
small mammal community .....	381	Virginia, Asian clam life history .....	248
<i>Peromyscus gossypinus</i> , nests and refugia .....	21	habitat and reproduction of orange-fin madtom .....	115
<i>Peromyscus leucopus</i> , paternal behavior .....	373	seed bank in oak forest .....	258
<i>Peromyscus maniculatus</i> , effects of radio-collaring on survival .....	198	Wisconsin, benthic invertebrate density .....	77
Physiology, plant response of <i>Agropyron dasytachyum</i> to N .....	300	prairie continuum reanalysis .....	268
tree response to water stress .....	158	Wyoming, house wren males feed mates .....	200
<i>Populus grandidentata</i> , presettlement and present-day forests .....	327	subnivean arthropods .....	66
